INSIDE OUT COLLECTION

We are shaped by the emotions we carry inside. What begins within gradually takes form on the outside, becoming the human we are.

The *Inside Out* Collection explores this transformation; where inner states are translated into physical presence, and emotion is shaped outward into stone.

BREATHE BENCH

Breathe *Bench*

This bench translates the emotion of calm into a sculptural landscape, inspired by the highs and lows of mountain canyons. Its flowing form invites the body to rest as if seated within nature itself.

FEARLESS CONSOLE

Fearless Console

Introducing the Fearless Console, expressing courage as the act of flowing forward from what once held us still. Emerging from stone into fluid form, it reflects strength found through transformation rather than resistance.

72" (L) × 21" (W) × 28" (H)
Absolute Black Granite & Grey Sandstone

CELLAR BAR CABINET

CELLAR BAR CABINET

This bar cabinet is shaped as a carved monolith, inviting curiosity through concealment and reveal. Bottles emerge from hollowed stone pockets, turning storage into an act of exploration and quiet discovery.

AMOR DINING TABLE

AMOR DINING TABLE

This dining table interprets love as a structural bond, where two distinct forms stand apart yet are united through a single continuous top. It represents how love connects individual identities into one shared presence.
